# PROJECT UPDATE

**ADB with LWUA joint meeting regarding Environmental and Social Safeguards including updates on ADB Projects.**

**Due to high heat index in Plaridel, Bulacan, the field personnel of PLAWD takes mitigating measures by staying hydrated, providing shade and avoiding too much exposure to sunlight during work hours to lessen the impact of extreme heat temperature.**

# Happy National Women's Month

Tuwing buwan ng Marso ay ipinagdiriwang ang National Women's Month bilang pagpupugay sa mga kababaihan sa kanilang mahalagang papel bilang ilaw ng tahanan at sa pagpapaunlad ng ating lipunan.

Ang International Women's Day ay isang pandaigdigang pista na ipinagdiriwang bawat taon tuwing ika-8 ng Marso bilang isang puntong pantuon sa kilusan ng karapatang pangkababaihan, na dinadala ang atensyon sa mga isyu tulad ng gender equality, reproductive health at violence and abuse against women.

Ang Plaridel Water District ay mayroong labing-anim (16) na babaeng empleyada at dalawang (2) babaeng miyembro ng Board of Directors. Sila ay hinandugan ni IGM Mario G. Macatangay ng pulang rosas at cookies bilang pagkilala sa kanilang natatanging kontribusyon sa ating patubigan.
