| <b>SUBJECT</b><br>Emergency Procurement and Implementation to Undertake the<br>Culianin Dike Road Pipe Laying Project Through Small Value<br>Procurement and Pakyaw Labor Contract by Administration |  | <b>DATE</b><br>October 07, 2024                        |  |

**BACKGROUND**

1. PLAWD BOD passed a BOD Resolution No. 52 Series of 2024 approving the reprogramming of the allocated budget for the Apitong Road Pipe-Laying Project and Acacia Road Pipe-Laying Project (GAD Projects) to the Culianin-San Jose-Bintog Pipelaying Project amounting to Php1,591,701.79 to be procured through a public bidding;
2. The Culianin-San Jose-Bintog Pipelaying Project was posted in PhilGeps and conspicuous place on September 5, 2024. Opening of bids was on September 25, 2024;
3. During the opening of bids, only one (1) bidder submitted a bid. Unfortunately, the BAC and TWG found that the bidder lacked the qualification and criteria to satisfy technical compliance requirements, hence, it was declared to be a failed bidding;
4. It was assumed that the budget for the Culianin-San Jose-Bintog Pipelaying Project was not sufficient to attract qualified contractors because the budget was originally for the procurement under Small Value Procurement and 'Pakyaw-Labor' contract by Administration;
5. The project is considered under emergency situation and must be completed by December 14, 2024, as it is a key part of the turnover process of 1,288 service connections from the Bustos Water District to PLAWD.

**RECOMMENDATION**

PLAWD management recommends approval of the following:

1. The Culianin-San Jose-Bintog pipelaying project budget amounting to Php1,591,701.79 shall be reprogrammed for the emergency procurement to implement the Culianin Dike Pipelaying Project using **Small Value Procurement and Pakyaw Labor Contract** for an amount of Php 976,743.00 to save time and resources; and
2. The remaining budget amounting to Php 614,959.00 shall be reallocated for the procurement of materials for the Bintog-San Jose Dike Pipelaying Project.
