**PLARIDEL WATER DISTRICT**

<b>FROM THE OFFICE OF THE GENERAL MANAGER</b>		<b>FOR CONSIDERATION OF THE BOARD OF DIRECTORS</b>	
<b>SUBJECT</b> Emergency Procurement and Implementation to Undertake the Culianin Dike Road Pipe Laying Project Through Small Value Procurement and Pakyaw Labor Contract by Administration		<b>DATE</b> October 07, 2024	

**BACKGROUND**

1. PLAWD BOD passed a BOD Resolution No. 52 Series of 2024 approving the reprogramming of the allocated budget for the Apitong Road Pipe-Laying Project and Acacia Road Pipe-Laying Project (GAD Projects) to the Culianin-San Jose-Bintog Pipelaying Project amounting to Php1,591,701.79 to be procured through a public bidding;
2. The Culianin-San Jose-Bintog Pipelaying Project was posted in PhilGeps and conspicuous place on September 5, 2024. Opening of bids was on September 25, 2024;
3. During the opening of bids, only one (1) bidder submitted a bid. Unfortunately, the BAC and TWG found that the bidder lacked the qualification and criteria to satisfy technical compliance requirements, hence, it was declared to be a failed bidding;
4. It was assumed that the budget for the Culianin-San Jose-Bintog Pipelaying Project was not sufficient to attract qualified contractors because the budget was originally for the procurement under Small Value Procurement and 'Pakyaw-Labor' contract by Administration;
5. The project is considered under emergency situation and must be completed by December 14, 2024, as it is a key part of the turnover process of 1,288 service connections from the Bustos Water District to PLAWD.

**RECOMMENDATION**

PLAWD management recommends approval of the following:

1. The Culianin-San Jose-Bintog pipelaying project budget amounting to Php1,591,701.79 shall be reprogrammed for the emergency procurement to implement the Culianin Dike Pipelaying Project using Small Value Procurement and Pakyaw Labor Contract for an amount of Php 976,743.00 to save time and resources; and
2. The remaining budget amounting to Php 614,959.00 shall be reallocated for the procurement of materials for the Bintog-San Jose Dike Pipelaying Project.
