NOTICE OF CANCELLATION OF PROCUREMENT ACTIVITIES

Early Procurement of Security Services for FY 2025

31 October 2024

This is to inform all concerned that Plaridel Water District (PLAWD) declared cancellation of the procurement activities upon the conduct of Pre-Bid Conference last 28 October 2024 for the above-named procurement due to the following reasons:

- a) Department of Labor and Employment (DOLE) recently approved **Wage Order No. RBIII-25**, that from January 1, 2025 till April 15, 2025, the amount of Php 525.00 will be the basic wage of private employees/personnel, and then increase to Php 550.00 from April 16, 2025 onwards; and
- b) DOLE also stated that starting January 1, 2025, the multiplier for basic wage will be 395 instead of the 394.4 multiplier used this 2024.

The PLAWD Management recommend to repeat the Early Procurement Activity of Security Services for FY 2025.

For guidance and information of all concerned.
