Justification for Change in Paper Specification

Subject: Request for Supplemental/Amendment of Paper Specification (From Multipurpose to Multicopy)

Purpose:

This justification is submitted to request the change in paper specifications from **Paper, Multipurpose (A4 and Legal)** to **Paper, Multicopy (A4 and Legal)** for our office inventory and procurement.

Key Justifications:

1. **Enhanced Print Quality and Durability:**

   Multicopy paper is specifically engineered for high-volume, dual-sided (duplex) printing and copying. Its higher opacity and superior brightness prevent ink bleed-through, ensuring crisp, clear, and professional-looking documents.

2. **Machine Efficiency and Lower Maintenance:**

   Multicopy paper features a smoother surface finish and reduced dust residue compared to standard multipurpose paper. This significantly reduces printer jams, minimizes wear and tear on office copiers/printers, and lowers equipment maintenance frequency.

3. **Suitability for High-Volume and Archival Use:**

   While multipurpose paper is intended for general, low-volume drafting, multicopy paper is better suited for official reports, external communications, and long-term document archiving due to its higher durability and acid-free composition.

Conclusion:

Upgrading to **Paper, Multicopy (A4 and Legal)** ensures greater operational efficiency, improves document presentation quality, and prevents frequent printer downtime, offering better value for daily administrative operations.
